## Why Choose DuraTech? The Fence Of A Lifetime

### Style

As a manufacturer, National Vinyl Products knows that it is important to offer the consumer the right product in the right style. Whether you are looking for a classic white picket fence or a faux woodgrain privacy fence, there is a color and a style available for you. Make your outdoor space stand out from the rest by using DURATECH® vinyl fence products.

### Quality

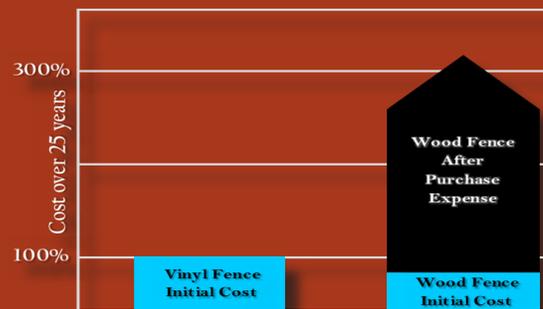

DURATECH® products are thoroughly tested several times during the manufacturing process to ensure the highest level of quality for our customers. The proprietary DURATECH® vinyl formulation is blended on site at the manufacturing plant so that we can control all aspects of quality, from powder to fence. Titanium Dioxide, known for its ability to prevent discoloration and weathering in vinyl fence over time, is utilized at proven industry standard levels. The Titanium Dioxide utilized by DURATECH® is purchased from a longtime leader in the U.S. plastics industry and is one the highest grade of Titanium Dioxide used in the fencing industry.

### Warranty

Tired of maintaining or replacing of other fences? Install a DURATECH® vinyl fence that comes with a Limited Lifetime Warranty that is fully transferrable. This assures you a worry and maintenance free product that will not peel, rot, blister or crack

### Value

Smart homeowners know that installing DURATECH® vinyl fence will increase the beauty, value and security of their home. When compared to other types of fence, vinyl fences have been shown to increase property value while contributing less cost over the life of the fence.

## Wood Grain Series

All the Appeal of a Classic Wood Fence without the Classic Maintenance

With the WoodGrain series from DURATECH®, your outdoor living space will be transformed with a distinguished and classic wood accent. The previous troubles found in wood fences are left behind. No more rotting, sanding, staining, or painting. What's left is a high quality, premium fence that will stand the test of time, and look beautiful while doing it.

The WoodGrain series is offered in select colors. Ask your DURATECH® dealer for samples and profile availability.

## Built To Last

\*All DURATECH® profiles meet strict ASTM F964-09 standards for the vinyl fencing industry.

\*DURATECH® vinyl fences are manufactured with one of the highest grades of Titanium Dioxide in the industry. Proven to keep your fence looking beautiful for years to come.

\*Avoid fire hazards around your property: DURATECH® products have been 3rd party tested to ASTM E-84-12 standards and certified to be "Class B" on the flame spread index.

\*When properly installed to engineered specifications, DURATECH® privacy fences can withstand wind gusts of up to 90mph!

## The Right Rail

When selecting a fence, it's important to select the right rail to complement it. DURATECH® offers 3 distinct styles to choose from. Whether you are interested in the traditional Dura-Rail with its smooth lines and timeless appeal, or the larger Dura-Rail Deco Titan with its bold styling, DURATECH® has you covered. All of these rails offer a specially engineered pocket to accept our tongue and groove paneling, ensuring you a beautiful and durable fence.

\* Dura-Rail 1.75" X 8" Deco Titan

\* Dura-Rail 2" X 6" Deco Deluxe

\* Dura-Rail 1.5" X 5.5"

\* DURATECH® Fence profiles may contain a percentage of recycled materials. By utilizing recycled materials, we keep waste out of landfills and lower the impact on the environment. All of this without sacrificing durability or quality.
