

A grayscale photograph of an outdoor deck. In the foreground, a wooden chair with a towel and a patterned pillow sits on the deck. To the right, a curved railing with vertical balusters runs along the edge. In the background, a stone fire pit is visible. The overall scene is a typical outdoor living space.

MINIMUM ADVERTISED PRICE (MAP) POLICY

Poly-Wood, Inc., (hereinafter "Poly-Wood"), the licensee of Trex® Outdoor Furniture™, has established a Minimum Advertised Price ("MAP") Policy that is designed to help Trex Outdoor Furniture resellers maintain the long term strength of Poly-Wood's Trex Outdoor Furniture brand equity by helping them to engage in advertising that best conveys to customers the value of Trex Outdoor Furniture products. Poly-Wood takes great pride in its products. Customers have created great demand for Poly-Wood's products because they believe that Poly-Wood's products offer superb quality and value. We believe that the Trex Outdoor Furniture MAP policy, more fully described below, will allow resellers to profitably market and effectively promote the value of Poly-Wood's products to these customers.

1. Resellers may advertise Poly-Wood's Trex Outdoor Furniture products at or above the minimum advertised price (MAP). The MAP for Poly-Wood's products is displayed in Poly-Wood's Trex Outdoor Furniture price list and may be adjusted by Poly-Wood at its sole discretion.
2. The MAP policy applies to all advertisements of Poly-Wood's Trex Outdoor Furniture products in any and all media, including, without limitation, flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, mail order catalogs, Internet or similar electronic media, television, radio, and public signage.
 - All advertisements of MAP Product(s) must include the Trex Outdoor Furniture model name and a price at or above the MAP.
 - At no time may the reseller make any statements or other indications on its website in connection with any MAP Product(s) that indicates or implies that a lower price may be found at the online checkout stage, including, but not limited to, the following:
 - "Click here for lower price"
 - "See Price In Cart"
 - "Log-in for price"
 - "Add to Cart for Lower Price"
 - "Check Cart for Lower Price"
 - "Mouse over for Price"
 - "Email for a better Price"
 - "Call for Lower Price"
 - At no time may the reseller engage in negative promotional advertising that may create an appearance of criticizing Poly-Wood's products, such as "Don't Buy Trex Outdoor Furniture... until you check our pricing."
 - MAP products may only be advertised as standalone products and may not include any promotional allowances (e.g. rebates, coupons, free premiums, etc), except for Poly-Wood's authorized promotions (e.g. manufacturer's rebates).
3. The inclusion in advertising of coupons, promotions, free or discounted products (whether made by Poly-Wood or another manufacturer) with a product covered by the MAP policy would be contrary to the policy if it has the effect of discounting the advertised price of the covered product below the MAP. Any store, catalog, online or website promotion which does not include Poly-Wood's Trex Outdoor Furniture products should have the exclusion prominently displayed to avoid creating an impression of below MAP pricing.
4. MAP applies only to advertised prices and does not apply to the price at which the products are actually sold or offered for sale to an individual consumer within the reseller's retail location or over the telephone. Resellers remain free to sell these products at any prices they elect.
5. MAP does not establish maximum advertised prices. All resellers may offer Poly-Wood's Trex Outdoor Furniture products at any price in excess of the MAP established for such product.
6. Poly-Wood's Trex Outdoor Furniture MAP policy does not in any way limit the ability of any reseller to advertise that "they have the lowest prices" or, they "will meet or beat any competitor's price", or phrases of similar import as long as the price advertised or listed for the products is not less than MAP.
7. From time to time Poly-Wood may discontinue models or engage in promotions with respect to certain products. In such events, Poly-Wood reserves the right to modify or suspend the MAP with respect to the affected products by notifying all resellers of such change. Poly-Wood further reserves the right to adjust the MAP with respect to all or certain products at its sole discretion upon 7 days advance written notice to its resellers.
8. Poly-Wood may engage in monitoring of advertised prices of MAP products, either directly or via the use of third parties. Third parties retained by Poly-Wood may engage in monitoring of reseller advertisements and website advertising including, but not limited to, review of advertised prices. In addition, a 3rd Party Reseller may, if it so chooses, submit to Poly-Wood, reports and/or screen prints of advertised prices it discovers in the marketplace that it believes are not compliant with this MAP policy. All information forwarded by 3rd Party Resellers can be sent with a screen print to brandexcellence@polywoodinc.com. Poly-Wood will not acknowledge its receipt of or respond to any information it receives from 3rd Party Reseller(s) and shall independently act in its own interest in determining what, if any action, it may take with respect to the information it receives.
9. Intentional and/or repeated failure to abide by this MAP policy will result in sanctions unilaterally imposed by Poly-Wood. The level of sanctions will be determined by Poly-Wood in its sole discretion and may include nullification of any promotional support agreements between Poly-Wood and the violating reseller, including but not limited to special pricing, return privileges, etc, or indefinite termination of sales to the reseller. Poly-Wood does not intend to do business with resellers who degrade the image of Poly-Wood and its products. Poly-Wood is not required to provide prior notice or issue warnings before taking any action under this policy.
10. Poly-Wood may change or cancel this policy at any time.
